Coachella Valley Regional Water Management Group
Disadvantaged Community Onsite Plumbing Retrofit Program

<u>TERMS AND CONDITIONS</u>

ELIGIBILITY:
1. All applicants must be residents of a disadvantaged community Disadvantaged communities are defined by the California Department of Water Resources (DWR) as those households earning 80% of the state Median House Income (MHI) ($48,706); severely disadvantaged communities are those with a MHI that is less than 60% of the state MHI ($36,530)..
2. Toilets to be replaced must be at 2 gallons or more per flush
3. Applicant must demonstrate significant system leakage. To calculate distribution system leakage, subtract the measured water consumption from the total water produced or purchased.
4. Existing onsite plumbing leaks and faulty onsite plumbing systems qualify to be replaced with water efficient systems and or fixtures as part of the plumbing retrofit program.

CONDITIONS:
1. Participants must fill out and sign application.
2. A separate application is required for each system and/or toilet installed. Limit of two (2) plumbing retrofits, systems repairs, and/or toilets per household.
3. Participant agrees to onsite visits to asses leak and potential water savings prior to approval.
4. Participant agrees to solution determined by licensed contractor and administrating agency.
5. Applicant agrees to work with contractor provided by the administrating agency.
6. Participant agrees to a post repair visit to ensure that the installation was satisfactory.
7. Customer has read and agrees to the program conditions and the following disclaimer:

Coachella Valley Regional Water Management Group reserves the right to offer the Disadvantaged Community Plumbing Retrofit Program. Pueblo Unido Development Corporation and Leadership Counsel for Justice and Accountability will administer this program on a first-come, first-served basis, subject to availability of funds, and all other applicable program conditions. By participating in the program, you waive and release Pueblo Unido Development Corporation and Leadership Counsel for Justice and Accountability from any and all claims and causes of action arising out of the purchase, installation, or use of the repairs.

ABOUT THE PROGRAM:
The Coachella Valley Regional Water Management Group (CVRWMG) developed a project to include outreach and education for disadvantaged communities (DACs) and provide a cost-effective mechanism for addressing reported water quality and water supply needs. The DAC Onsite Plumbing Retrofit Program was, developed to address both drinking water quality and water conservation issues by providing cost-effective repairs to faulty systems that leak and address potential drinking water contamination. Program partners will include CVRWMG, Pueblo Unido Community Development Corporation (PUCDC), and Leadership Counsel for Justice and Accountability (Leadership Counsel).

HOW TO APPLY:

1. Read the Terms and Conditions on the reverse side. Eligibility requirements must be met to participate.

2. Applications will be processed in the order received. Complete this application and submit it in person or by mail to:
